Program Coordinator

Overview of the OhioKAN Program:

OhioKAN is an innovative statewide Kinship and Adoption Navigator Program that supports formal and informal kin caregivers and adoptive parents by providing information and referral services and assistance obtaining support services. Building on current and previous Ohio kinship navigator programs, OhioKAN is distinguished by its planned statewide implementation, broad population of families served, and provision for rigorous evaluation. Contingent on evaluation results, OhioKAN may establish a new evidence-based practice model that may be considered for federal payments under the Family First Prevention Services Act of 2018.

OhioKAN builds the necessary community and systems capacity to support families and works directly with kinship and adoptive families to build confidence and connections. Anticipated outcomes to be measured include greater family resilience, improved family functioning, increased stability and permanency for children, and improved child well-being.

OhioKAN is a statewide program organized into 10 geographic regions. Regional staff will develop community capacity to deliver a service model designed to support formal and informal kin caregivers and adoptive parents obtain the knowledge, social support, and access to the human services and resources they need to achieve positive health and wellbeing outcomes for themselves and the children in their care.
